

## VIBRATION PEN CODE 9720-199

- Measure vibration of motors, fans, pumps, compressors and machine tools to prevent mechanical failure
- Small size, light weight, low energy consumption, easy operation and easy to carry
- One key control
- Automatic power off

### SPECIFICATION

Code	9720-199
Parameter	speed
Measuring range	0.1~199.9mm/s
Frequency	10Hz~1KHz
Accuracy	$\pm(5\% \pm 2)$ mm/s
Operating temperature	0°C~40°C
Operating humidity	< 85%
Power supply	2×LR44 batteries(for 10 hours wroking)
Dimension	150x22x18mm
Weight	55g

### STANDARD DELIVERY

Main unit	1pc
LR44 battery	2pcs
